Network Consulting

Medical Grade Network

Network Automation

Wired & Wireless ReDesign

Cybersecurity – RMF

Cybersecurity – ATO

Enterprise Network – ZTA

Enterprise Network – COOP

Continuous Monitoring

Agile Software Development

Data Security – PCI DSS / DLP

CORE CAPABILITIES

IT Infrastructure

Routing & Switching

Wired & Wireless

Zero Trust Network Access (ZTNA)

Secure Access Service Edge (SASE)

Micro-segmentation

Software-Defined Network (SDN)

Cybersecurity

Network Operations Center (NOC)

Risk Management Framework (RMF)

Identity & Access Management (IAM)

Penetration Testing

Security Operations Center (SOC)

Cloud & AI

Cloud Migration

Network Automation

AI & Machine Learning

Business Intelligence

DIFFERENTIATORS

• Certifications: CCIE, Scrum Master, MCSE, AWS, JNCIS, CKA, CKS

Partners: Cisco, HPE, Palo Alto, Dell, and Ingrammicro
